

Liv-ex Prime – Packing Instructions

Thanks for having agreed to follow the packing instructions below

Liv-ex will insure goods in transit providing that the following packing instructions are adhered to:

Packing

Please:

- Use EURO pallets (120x80cms)
- Strap and seal the pallet with shrink wrap prior to the collection

Photographs

Please take photographs:

- Before the shrink wrap is placed on the pallet (all four sides)
- When the pallet is fully wrapped

Documents

*We **will** require:*

- Packing list
- Commercial invoice

Pallet strap:

Pallet wrap:

Security tape:

NB: We also highly recommend you take photos before the wrap is placed on the pallet of all four sides and that when fully wrapped you take a picture. This ensures should there be an issue we can claim on our insurance without any issues
